METERING/ALLOCATION METHOD KEY

- "1" - Sub-metering of all of your water/gas/electric use
 - "2" - Calculation of your total water use based on sub-metering of hot water
 - "3" - Calculation of your total water use based on sub-metering of cold water
 - "4" - Flat rate per month
 - "5" - Allocation based on the number of persons residing in your dwelling unit
 - "6" - Allocation based on the number of persons residing in your dwelling unit using a ratio occupancy formula
 - "7" - Allocation based on square footage of your dwelling unit
 - "8" - Allocation based on a combination of square footage of your dwelling unit and the number of persons residing in your dwelling unit
 - "9" - Allocation based on the number of bedrooms in your dwelling unit
 - "10" - Allocation based on a lawful formula not listed here
- (Note: if method "10" is selected, a separate sheet will be attached describing the formula used)

2. Allocation formulas are used when the apartment has no sub-meter. The formula may be based on factors such as, the interior square footage of the apartment, number of bedrooms, number of occupants, number of bathrooms, presence of washing machine, and average water usage for that floor plan. The allocation is an estimate of usage by the resident. If an allocation method is used, we or our billing company will calculate your allocated share of the utilities and services provided and all costs in accordance with state and local statutes. Under any allocation method, Resident may be paying for part of the utility usage in common areas or in other residential units as well as administrative fees. Both Resident and Owner agree that using a calculation or allocation formula as a basis for estimating total utility consumption is fair and reasonable, while recognizing that the allocation method may or may not accurately reflect actual total utility consumption for Resident. Where lawful, we may change the above methods of determining your allocated share of utilities and services and all other billing methods, in our sole discretion, and after providing written notice to you. More detailed descriptions of billing methods, calculations and allocation formulas will be provided upon request.

If a flat fee method for trash or other utility service is used, Resident and Owner agree that the charges indicated in this Agreement (as may be amended with written notice as specified above) represent a fair and reasonable amount for the service(s) provided and that the amount billed is not based on a monthly per unit cost.

3. When billed by us directly or through our billing company, you must pay utility bills within 30 days of the date when the utility bill is issued at the place indicated on your bill, or the payment will be late. If a payment is late, you will be responsible for a late fee as indicated below. The late payment of a bill or failure to pay any utility bill is a material and substantial breach of the Lease and we will exercise all remedies available under the Lease, up to and including eviction for nonpayment. To the extent there are any new account, monthly administrative, late or final bill fees, you shall pay such fees as indicated below.

- | | |
|-------------------------------------|-----------------------------------|
| New Account Fee: | \$ _____ (not to exceed \$ _____) |
| Monthly Administrative Billing Fee: | \$ _____ (not to exceed \$ _____) |
| Late Fee: | \$ _____ (not to exceed \$ _____) |
| Final Bill Fee: | \$ _____ (not to exceed \$ _____) |

If allowed by state law, we at our sole discretion may amend these fees, with written notice to you.

4. You will be charged for the full period of time that you were living in, occupying, or responsible for payment of rent or utility charges on the dwelling. If you breach the Lease, you will be responsible for utility charges for the time period you were obliged to pay the charges under the Lease, subject to our mitigation of damages. In the event you fail to timely establish utility services, we may charge you for any utility service billed to us for your dwelling and may charge a reasonable administration fee for billing for the utility service in the amount of \$ _____.
5. When you move out, you will receive a final bill which may be estimated based on your prior utility usage. This bill must be paid at the time you move out or it will be deducted from the security deposit.
6. We are not liable for any losses or damages you incur as a result of outages, interruptions, or fluctuations in utility services provided to the dwelling unless such loss or damage was the direct result of negligence by us or our employees. You release us from any and all such claims and waive any claims for offset or reduction of rent or diminished rental value of the dwelling due to such outages, interruptions, or fluctuations.
7. You agree not to tamper with, adjust, or disconnect any utility sub-metering system or device. Violation of this provision is a material breach of your Lease and may subject you to eviction or other remedies available to us under your Lease, this Utility Addendum and at law.
8. Where lawful, all utilities, charges and fees of any kind under this lease shall be considered additional rent, and if partial payments are accepted by the Owner, they will be allocated first to non-rent charges and to rent last.
9. You represent that all occupants that will be residing in the Unit are accurately identified in the Lease. You agree to promptly notify Owner of any change in such number of occupants.
10. You agree that you may, upon thirty (30) days prior written notice from Owner to you, begin receiving a bill for additional utilities and services, at which time such additional utilities and services shall for all purposes be included in the term Utilities.
